Seasoned hunt members will help you and your horse get comfortable in the field. Just want to walk and trot? No problem. You'll love 3<sup>rd</sup> field. Want to follow the hounds and jump? 1<sup>st</sup> field might be for you. Want something in the middle? Try 2<sup>nd</sup> field.

**Simulated fox hunting**

Incorporates a "drag" where hounds and horses follow a laid scent. We put safety first with a mentoring system for newcomers.
