

## OTTAWA VALLEY HUNT

### Youth Program

#### 2017 Youth Program Commitment Letter

The aim is to educate and instruct young people in the « ways of hunting » through active participation and instructional sessions both in the hunt field and kennels.

A fund has been established by a generous donation from two OVH members. The fund will cover your hunt membership for 1 year and certain other expenses. It is anticipated that these young people will represent the OVH at Hunt Festivals and Hunter Trials as well as other relevant activities.

It is also expected that as an OVH Youth Program member, you are to participate in the following activities:

- Hound Exercises
- Kennel Day
- Work Days
- Drag Laying Day

The youth Program is looking for competent riders with their own horse or pony and members must be between the ages of twelve (12) and nineteen (18).

Please sign below to indicate that you understand and agree to the above OVH Youth Program requirements and that you are committed to the 2015 hunt season. If you are under the age of 18, a parent or guardian must sign as the witness.
